We had planned a full and fun newsletter to be delivered in the next few days, but the present situation has turned that all on its head.

We would have told you about THE VILLAGE FETE, THE LITTER PICK AND THE SUMMER BALL, But for now at least , they are all on hold.

We are here to reassure you that in our lovely village life goes on and we are doing our best to help.

**PLEASE WRITE DOWN THESE NUMBERS TO CONTACT OUR VICE CHAIRMAN  
LISA DUVAL**

WHEN YOU CALL, she will give your details to one of our village volunteers, you may not know them personally, but they will be people from within our community with whom we are familiar and who will then do their best to help you resolve your problem.

In all matters to do with the everyday situations, please use only respected sources of information and do not be misled or scared by media reports and please do not believe every story on social media, they are not always accurate.
