## **WHY HAVE WE HAD SPEED WATCH IN THE VILLAGE**

**WITH ALL YOUR COMPLAINTS AND OUR PUBLICITY, INCLUDING OUR ONGOING APPEALS TO SPEEDING MOTORISTS TO BEHAVE RESPONSIBLY, YOU WILL PROBABLY BE ASTONISHED TO READ THE FOLLOWING:**

**Recently a traffic survey was conducted by the Safer Roads Team of Northamptonshire Police, it lasted for just seven days and was based on Lowick Rd.**

**When I read the results I was both astonished and very disappointed.**

**In only SEVEN DAYS recently just under 7,400 vehicles of one kind or another travelled through the village.**

**1176 exceeded the 30mph limit, of those 301 drove at speeds for which they could be prosecuted.**

**What must we do to make drivers realise how dangerous This is?**

**We will be lobbying the police to get more stringent controls in our little community, meanwhile the limit is 30mph but as the signs advise Twenty Is Plenty, please keep this in mind and help protect the safety of residents both young and old.**

Historic Churches stride and ride.

This takes place for one day only on Saturday 10th September and  
is a great opportunity to visit some of the wonderful churches in our area.  
Registration forms can be found at. If you are able to obtain some  
sponsorship then that is great because that will benefit your local church  
however just taking part is great.

St Nicholas Guild members will no doubt recall the strides with “  
Miss” (Souster) through the meadows to Aldwinkle and visiting  
churches off the beaten track.

## **St. Nicholas House & the Green Development**

This building is of major historic interest but sadly has been suffering from dreadful neglect for many years, but it will soon be given a new lease of life.

It is being repaired and restored to a high standard by C.H.B.C Property Ltd under the watchful eye of conservationists and archaeologists as it is brought back to life. The photos on the left, show just how big a task this will be but I am confident it will look grand once completed and be a real asset to our already beautiful village  
**PLUS**

A new house has been added to the existing terrace and I'm sure you will agree that it blends in really well.

**Do you have a project of which you are proud and which will enhance the village?**

**Get in touch if you would like it featured and we will do our best to include it in future**
