| | £28173.00 | Should not go any lower than |
|---------------------------------|-----------|--------------------------------|
| Potential opening balance as at | | £24000 (equivalent to 12months |
| 1.4.24 | | precept) |

Notes for consideration

- No increase in Precept for since 19/20 (5 years)
- Need to gain grants for any capital projects eg. Cctv
- Does the council wish to support the bowls club, village hall etc.
- If the precept is not increased, the bank balance will drop to below the recommended reserve,
- Should the Council increase the precept by the amount the energy and insurance bills have increased. le £3000
- Should the council increase the precept by the amount needed to cover the costs listed about ie. £29,000 an increase of £5500
