

## **SPORTS FIELD REPORT FOR IPC MEETING 21.5.24**

### General summary

A quieter month, with everything running smoothly

- Busier end to the football season to catch up with games cancelled because of the bad weather, so some evening games have been played.
- Rounders has started, training once/week, and matches every other week.
- Cricket has started, every Saturday afternoon.

### Field matters

- Groundsman doing a great job, and the pitches look in great condition.
- Top of the bank has been mowed and a carpark created at the far end.
- Bank has been mowed by VMT as part of their training programme.
- Water gully at the top of the carpark has been flattened out -free of charge
- Skip filled with rubbish from the side of the field and from the garage
- Floodlights taken down by volunteers
- Strimmer and mower purchased for grass areas (off pitch)
- Large goals to be dismantled on 31<sup>st</sup> May until end of July to rest the pitches, particularly the goals.

### Pavilion matters

- Caretaker has an evening routine and checks the premises after 10.00 each night, and reports back to Clerk with any concerns.
- Cleaners seem happy and request cleaning materials when needed
- New bench/chairs have been delivered, (paid for with donation from fete committee)

### Machinery/equipment

- Fuel store created in the garage by Antony,
- Jock has undertaken some servicing of the tractor.
